(IITH EDITION)

### **BUT 7 DAYS ARE LEFT**

The first complete sets, 28 volumes of text, are now coming from the binders and heavy shipments are expected during June and July.

The Index Volume (Vol. 29), necessarily the last volume to be completed, is now going

into type. Vols. XV to XXVIII will be shipped during the next few days to those who have already re-

ceived Vols I to XIV. Owing to an unprecedented demand for the new (11th) edition and to the magnitude of its technical production, the publishers are compelled to limit their contractual obligation in the matter of shipments entirely to orders registered by May 31. For the present no provision can be made to fill applications received after that date and no more copies will be printed or bound than are called for under the present "previous to publication" offer.

THE FINAL FIGURES FOR ANY ENLARGEMENT OF EXISTING MANUFACTURING CONTRACTS MUST THEREFORE BE IN HAND BY THAT DATE. Belated orders will be filed and, after the present distribution is effected, will be executed at prices which will be 50c. per volume or \$14.50 per set higher than those in force for SEVEN MORE DAYS.

Subscribers may still reap the benefit of the low prices if their orders are registered at once--

i. e., while the elaborate and extensive machinery of production is still in motion.

### THIS GREAT NEW WORK IS

A VAST COMPENDIUM OF UNIVERSAL KNOWLEDGE, EMBRACING EVERYTHING THAT CAN POS-SIBLY INTEREST OR CONCERN A CIVILIZED PEOPLE-GIVING ADEQUATE AND AUTHORITATIVE TREATMENT TO THE WHOLE RANGE OF HUMAN ACTIVITY, SUPPLYING AT ONCE A CONSPECTUS OR GENERAL VIEW OF ALL THE MAIN DIVISIONS OF KNOWELDGE IN THE LIGHT OF THE MOST RECENT RESEARCH, AND AN INVENTORY OF RECONDITE NOT LESS THAN OF ALL COMMON THINGS WHICH ARE LIKELY TO FORM THE SUBJECT OF INDIVIDUAL INQUIRY.

It consists of 40,000 articles (between 40,000,000 and 50,000,000 words), the largest amount of printed matter ever embodied in a book, arranged in alphabetical order, and dealing with persons (of every nationality and of all periods, including persons still living), places, histories (whether of countries or of institutions), languages, literatures, arts, sciences, religions, philosophies, laws, manufactures, sports and games, with all the things or ideas connected with them. In fact, whatever word may prompt a question, as to the person, place, object, action or conception for which it stands, forms the title of an article (varying, according to the demands of the topic, from a few lines to a whole treatise) in which the desired information is supplied by an original authority upon the subject in question.

#### DEFERRED DELIVERY

It is advisable, however, in their case, that their applications shall be registered during the present month; that is, before the closing of the period for making application at the lowest prices.

NOTE .- Those who possess copies of previous editions of the ENCYCLOPAEDIA BRITANNICA (now out of date) are requested to advise us of the fact, stating which edition they possess (giving name of publisher and number of volumes), and if they wish to purchase the new edition, they will be informed how they can dispose of their old editions at a fair valuation
